

Fred's Tents & Canopies Inc.

Innovative, customer focused and solution driven

When you walk through our doors, you witness the exceptional care and pride our staff takes in their work and in our products.

We manufacture and supply all essential components for any install, small or large: aluminum, sidewalls, tent doors, gutters, stakes, ratchets and more. We offer full digital printing services, working with clients one-on-one to enhance their branding.

Since 1987, our primary goal has been to make a quality product at a fair price while offering phenomenal customer service. From a backyard party or wedding to even the presidential inauguration, Fred's is here to support all of your business needs. We are looking forward to working with you in 2020!

PRODUCTS: Fred's product line is always being designed and manufactured to meet the industry's trends, needs and forecasts. It includes pole tents, frame tents, the popular sailcloth Stillwater series and straight-beam structures. Our Better Fabric Structure is manufactured up to 100 feet wide, using only the highest quality materials.
