### ***Why Choose Snyder Manufacturing? Quality, service and experience***

Snyder Manufacturing is an American manufacturer of high-performance laminated fabrics, PVC coated mesh and extruded films. We deliver on-time, high-quality standard and custom solutions for a wide range of applications for commercial, industrial and governmental customers in a number of industries.

Snyder Manufacturing has been exceeding the specific expectations of customers for more than 60 years, since our founding in 1951 as a first-tier supplier to BF Goodrich. The vinyl lamination business, launched in 1961, maintained Snyder's top tier supplier status.

**PRODUCTS:** Snyder Manufacturing is an ISO 9001 Registered Company. Our signature in the industry is our Premium Blackout Tent Fabric designed to eliminate pinhole issues. We have recently released an economical 16 oz. Opaque Tent Material. In addition, we have expanded into additional applications with our Sound Barrier Products. Also, our FRCS Flame Retardant vinyl coated mesh has been tested and passes E-84 flame spread and smoke density test with a Class A rating!
