

Liri Tent US

*Engineered tent solutions
with great versatility*

Liri Tent US is proud to deliver engineered tent solutions to customers throughout the U.S. We offer our U.S. customers the same trend-setting technology that Liri Tent Technology is known for worldwide.

We are able to offer unmatched quality and customer service while providing the latest products to meet your space needs at an unmatched value. Boasting the largest tent production base around the world, Liri products offer the versatility to meet your needs, featuring wide ranges of span width from 3m to 80m and multiple designs and shapes, including A-frames, high-peak conversions, domes, curved shape and polygon.

As a pioneer in the industry, Liri Tent keeps current with industry trends and technology. Offering U.S.-based inventory and service, Liri Tent U.S. operations are headquartered in Kansas City, Kansas.

PRODUCTS: Small Beam Clear span (3m-12m), Medium Beam Clear span (12m-25m), Large Beam Clear span (20m-50m), Multi-Sided Tents, Double Deckers, Arcum/Dome Top, Curve Tops, Polygon Tops and High Peak Tops.
