

Liri Tent US

Engineered tent solutions with great versatility

Liri Tent US is proud to deliver engineered tent solutions to customers throughout the United States. We offer the same trend-setting designs that Liri Tent Technology is known for worldwide.

With Liri Tent US you will receive unmatched quality, customer service and immediate access to the latest products at an incredible value. Boasting the largest tent production base around the world, Liri's product lineup offers the versatility to meet all of your needs. We feature a wide range of span widths, from 3m (10 feet) to 80m (260 feet) with multiple roof designs and shapes including A-frame, High-peak, Arcum, Dome, Curved and Polygon.

As a pioneer in the industry, Liri Tent keeps current with industry trends and technology. Offering U.S.-based inventory sales and service, Liri Tent's U.S. operations are headquartered in Kansas City, Kan.

PRODUCTS: Small Beam Clearspan (10 to 40 feet); Medium Beam Clearspan (33 to 82 feet); Large Beam Clearspan (66 to 260 feet); Multi-Sided Tents; Double Deckers; Arcum, Dome, Curve, Polygon and High-peak roof designs; and a full range of accessories.
