

Committed to your success

Losberger De Boer

Let us exceed your expectations

For more than 100 years the name Losberger De Boer has stood for first-class products and exceptional service. We are everywhere our customers need us! Every company in the Losberger De Boer Group is among the leaders in its market, setting standards in quality, technology, handling, design and service.

With 1,200 employees worldwide, we guarantee competent advice; reliable, flexible service; and on-time delivery. The U.S. operation is based in Frederick, Md., with a 60,000-square-foot production and warehouse facility, and our highly trained U.S. sales representatives are located around the country to assist in your success. Support after the sale includes training on site or at our yearly "LDB Trained" in Maryland.

Our products are produced to the strictest standards; multiple quality checks at various stages of production ensure the consistency and quality. Commitment to quality and reliability are closely linked at Losberger De Boer. You can rely on us for world-renowned tent technology, our ability and drive toward successful implementation, and the guaranteed product quality that truly sets Losberger De Boer apart from other tent companies. We want to help you succeed!

PRODUCTS: 3m (10 foot) to 60m (200 foot) clearspan frame tents and accessories including glass walls, flooring and special modules.
